

ReStore Truck Sponsor Recognition

The Teton Habitat Restore truck travels in and around Jackson Hole nearly every day, logging over 18,000 miles per year. When not on the road, our truck is visible to traffic on Broadway.

Residents and visitors alike love seeing Teton Habitat in action. Having your business associated with the Habitat mission always leaves a good impression.

Layout and Terms

We have a total of 12 spaces (44" X 21" each) available on the sides and back of our box truck. Sponsoring businesses at the \$20K + level can use two spaces, and those at the \$10K level can have a single space for one year. As space is available, sponsoring businesses at the \$3K level can use a single space for six months. All spaces are available on a first-come, first-serve basis beginning on the first of the month following sign-up or when a space becomes available. Teton Habitat reserves the right to select or change placement positioning.
